Remember to  
change the "y" to  
"i," then add the  
suffix.

closely

finally

sleeveless

*say*      *says*

I can decode words with  
common prefixes and  
suffixes. RF2.3d

A suffix can change the meaning of the root word. "Er" and "est" make the meaning of the word stronger - like "big, bigger and biggest!"

These words have "er" or "est."

---

---

---

---

---

---

These words have "ful."

---

---

---

---

---

---

These words have a different suffix.
